DOMI 家居
沿着历史的脉络
将工匠精神传承至今
成为一种矢志不移的信念
砥砺前行，不忘初心
在与时俱进与弘扬传统之间，寻找新的平衡
构建起人与家居、生活、社会、历史
以及与未来的美好关系
愿成为历史的见证、时代的骄傲、幸福的象征

Inheriting historical traditions and artisan spirit has been our unwavering belief.
We will move forward steadfastly without forgetting our original aspiration,
seeking a new balance between upholding timeless heritage and making modern-day progress.
achieving harmonious connections between people, homes, lifestyle, community, history and tomorrow,
and doing our best to chronicle the times, champion the age, and embody joyful living.

每一件好家具的诞生，都是好设计、好材料、好工艺的完美结合。
30 年在这里沉淀的，不只是一种制作技艺，更是精雕细琢的手工艺艺术。

Without the perfect combination of stellar design, materials, and craftsmanship, there would be no good furniture to speak of.
After 30 years of accumulation, what we possesses is not only outstanding crafting skills, but also a fine art concept and mindset.

Eco-Conscious Living

绿色生活

在快节奏的现代生活中，人们日益追求健康环保的生活方式。作为家居产品供应商，亚振致力于提供高品质的绿色家居产品，为消费者打造与自然和谐相处的宜居环境。

我们采用环保材料和制造工艺，如优先选择带有 FSC 认证标志、来自可持续林业的木材，并采用无毒、无害的涂料和胶水。在行业内率先推行全线水性漆涂装，引进德国高端全自动往复式水性漆涂装线，并配有先进的灰尘分离系统，真正实现绿色生产。

此外，我们还注重设计的创新和可持续性，尽可能地使用可再生资源、减少能源消耗和废物排放，并推崇可持续循环和回收利用。

In the fast-paced modern society, people are increasingly pursuing a healthy and eco-friendly lifestyle. As a home furnishings provider, A-Zenith supplies quality eco-products for residential spaces in harmony with nature.

We prefer and utilize eco-friendly materials and techniques, like FSC certified ethical-sourced timber, non-toxic paints and glues. In the industry, we are among the first to implement full water-based paint coating by introducing high-end fully automated reciprocating water-based paint coating lines from Germany, which are also equipped with advanced dust separation systems to truly achieve green production.

On top of the above, we also focus on innovative and sustainable design, including using renewable resources the best we can, reducing energy consumption and waste emissions, and advocating sustainable recycling.

Tucked into the living space

客厅 一隅

最简练的线条来自内心深处的真诚
最纯粹的几何接受荏苒时光的洗礼
摒弃了浮夸与张扬
褪去了符号化的表达
拥抱大自然赋予的质感与色彩
在诗意中，传递平和与包容的力量

Streamlined silhouettes channeling earnest intent
Enduring geometric forms honed through the ages
Devoid of embellishment, flair or metaphor
Simply poetic textures and hues from the natural world,
and the power to convey calmness and embrace.

Thin wood parquet intangible heritage technology

薄木拼花
——
海派非遗技艺

吸收源起意大利文艺复兴时期的薄木镶拼工艺，把颜色不同的珍贵木材，旋切、创切而成薄木片，拼成各种艺术图案，嵌于家具表面。每一块木皮都经过精心挑选，确保色调、纹理和质地的和谐统一。经过经验丰富的匠人之手，不同材质美妙的纹理与色彩，交织出独特的艺术画面：

- 回形纹：它是中国传统的吉祥图案，寓意源远流长、生生不息，还寓意多子多孙，回形纹可以无限的延长，具有旺盛的生命力，象征繁荣昌盛。
- 米字纹：米字纹又称为金钱纹，寓意财运亨通，吉星高照，人生好运不断。
- 鱼骨纹：彰显 Art deco 装饰艺术风情的鱼骨纹，在古代是神圣的符号，有着聪明、强壮、勇敢和美丽的寓意。这些精致的艺术拼花图案，传达出美好的祝福，为现代生活带来了高雅艺术性和雅致情趣。

Absorb from the Italian Renaissance thin wood parquet process, the color of different precious wood, rotary cut, cut into thin wood pieces, patchwork into a variety of artistic patterns, embedded in the surface of furniture. Each piece of veneer is carefully selected to ensure a harmonious unity of tone, texture and texture. Through the hands of experienced craftsmen, the wonderful textures and colors of different materials weave together a unique artistic picture.

- Shape pattern: It is a traditional auspicious pattern in China, meaning a long history, endless life, but also meaning many children and grandchildren, shape pattern can be extended indefinitely, with strong vitality, symbolizing prosperity.
 - Rice pattern: Rice pattern is also known as money pattern, meaning fortune, good luck, good luck in life.
 - Fish bone pattern: Displaying Art deco style, fish bone pattern was a sacred symbol in ancient times, with connotations of wisdom, strength, bravery and beauty.
- These exquisite artistic parquet patterns convey beautiful blessings and bring elegant artistry and elegance to modern life.
